LETTER

Assistant Commissioner for Patents
Washington, DC 20231

Sir:

On November 9, 2001, the undersigned received a voicemail message from Examiner Brumback inquiring as to whether a response was filed to the March 29, 2001 Office Action. In response, I obtained the file and found that no Office Action was contained therein. I also had our Docketing Department review the status of this file and they indicated that no Office Action was ever docketed for this application.

On Monday, November 12, 2001, the undersigned left a voicemail message with Examiner Brumback relating these facts. On November 13, 2001, Examiner Brumback asked that I memorialize the facts in a letter to her and that the Office Action would be reissued.

The Commissioner is hereby authorized to charge any additional fees, including extension fees, or credit any overpayment to Deposit Account No. 06-1300 (Our Order No. A-58631-4/RFT/DJM).

Respectfully submitted,

FLEHR HOHBACH TEST
